There are No Drops; Have to race all events to qualify. If you only ride one day of the event weekend you are out.																
DNF still qualifies as a race completion as as long as you completed 51% of the leaders laps completed for each day, not the weekend as a whole.																
DNS of any moto drops you out of contention.																
Once you are no longer in contention, or if you miss a round, your name is removed from the list. Only riders still in contention according to all the rules stay on the list.
