There is No Drops; Have to race all events to qualify. If you only ride one day of the event weekend you are out.													
DNF still qualifies as a race completion as as long as you completed 51% of the leaders laps completed for each day, not the weekend as a whole.													
DNS of any moto drops you out of contention.													

2025 National points

Once you are no longer in contention, or if you miss a round, your name is removed from the list. Only riders still in contention according to all the											
rules stay on the list.
